CAREER OBJECTIVE

Aspiring Software Engineer seeking to explore new opportunities to design, build, and optimize scalable software solutions using core computing fundamentals.

EDUCATION

B.Tech, Pranveer Singh Institute Of Technology, Kanpur CGPA: 8.09/10	2025 - 2029
Senior Secondary (XII), CBSE Science G.D. Goenka Public School, Lucknow Percentage: 74.40%	2025
Secondary (X), CBSE G.D. Goenka Public School, Lucknow Percentage: 91.80%	2023

TRAININGS / CERTIFICATIONS

AI Fluency Jun 2026 Anthropic, Virtual	Technology Job Simulation Jun 2025 Forage, Virtual
Data Fundamentals Jun 2025 IBM, Virtual	AI-ML Engineer Course Jun 2025 Reliance Foundation, Virtual

PORTFOLIO

PROJECTS

RAG Pipeline for Evals and Monitoting May 2026 - Present	Voice & Speech Analysis System (VSAS) Apr 2026 - Present
--	--

SKILLS

- C Programming
 - MySQL
 - Algorithms
- Python
 - Graphic Design
 - Git
- Database Management System (DBMS)
 - Problem Solving

EXTRA CURRICULAR ACTIVITIES

- Science Club Member: Collaborated with a peer team to design, build, and test a functional hydraulic press.

Engineering Principles: Applied hands-on physics and fluid mechanics to calculate pressure ratios and assemble mechanical components.

Teamwork & Safety: Practiced collaborative problem-solving and cross-functional communication to meet project milestones.

Technical Analysis: Conducted stress-testing and troubleshooted system flaws to optimize force output.

- Founder, ThinkNex: Launched a digital tech club translating complex systems and emerging trends into accessible insights.

Digital Strategy: Managed social media operations, content calendars, and audience growth analytics.

Graphic Design: Engineered high-impact visual assets and educational carousels for cohesive branding.

Tech Research: Researched and synthesized breakthrough tech systems, AI, and industry shifts.

ADDITIONAL DETAILS

- Awarded a Letter of Appreciation from Union Minister Shri Rajnath Singh (Government of India) in 2023, recognizing extraordinary academic excellence and performance in the CBSE AISSE (Grade 10) national board examinations.
